Congrats to Phil Speare Who got another Harvest! From Phil: Shot happened quick but I rattled my arrow off every tree in the woods taking fletching off but thankfully it passed through him a good spot. Just a great public land deer!! Thanks to our club that I can practice keeping my shots true... even when the trees are involved...

Congrats Don Schultz on you buck!! From Don: Had 2 bucks and a doe in front of me at the time. My best in some ways but # 2 in my head. My best in many years for sure. I'd been spoiled of late by a long string of "down in sight" and 50-yard blood trail recoveries. Poor result meant a 5 hour ~ 1-mile blood trail. Pushing him increased the bleeding and kept me going. Dog tired still from the recovery and butchering.

9 point. 200+ lbs.

Congrats John Geraci on your buck!! From John: I Want to say thanks to fellow club members Ron Hemmelgarn, Eldon Sprau, and Zak Geraci for playing a key role in helping Me harvest this eight-point whitetail buck. The team started in the off-season clearing paths, putting up tree stands and clearing shooting lanes. The team then assisted our old and slow president to drag out my harvest on November 3rd. I shot this buck at 21 yards from a tree stand with my Hoyt bow. I could not have made this happen without the help of my hunting buddies and fellow club members.

Congrats Zak Geraci on your Harvest!! Helping to fill the freezer with this Whitetail Doe. Shot at 10 yards from the ground with his Hoyt Bow

Congrats Dominik Wardzala on your first Harvest!!

Dominik is new to archery and hunting. He just joined the club in March and this doe was taken on his first bow hunting trip.

Let us know, and your name could be added to our Large buck, doe, or unique animal plaque.

2021 Kishwaukee Monday Night Indoor Paper League

This year we are going to switch things up and shoot both the NFAA 5-spot target and the Vegas 3-spot target

Starting January 11th, 2021 at 7pm and will run for 13 weeks (12 weeks of shooting, last night for any shoot offs and payouts and food)

We will switch off every week with the targets, first night will be the Vegas 3-spots, next week will be the nfaa 5-spot and so on. Vegas 3-spots are the Yellow,Red,Blue faces and NFAA are the White and blue face targets

Cost will be \$50 for members and \$65 for non-members with 50% for the cost going into the prize fund. Full payment must be paid by the 3rd night of league.

You can bank and or make up 2 nights/scores. Shoot a bank score in advance or make up a night you miss, but must have the miss score turned in by the Friday night of that same week.

Averages and handicaps will be figured out on a weekly basis.

I will post a schedule of the weeks and which target face that we are shooting for that week.

Any questions contact me at (630)625-2132, Leave your name and a message (I bowl leagues 3 nights a week) and I'll get back to you as soon as I can.

I'm open to and suggestions and ideas, we are trying to build the paper league back up and make it fun again.

Thanks, James Kufer
