Guest Fee Reminder

All members are reminded that the \$10.00 guest fee applies to the Outdoor Range and Outdoor practice targets as well as the Indoor Range. If you bring guest, please sign them in and pay in the guest fee box located in the Indoor Range

Note from the Editor.

Just a reminder of the broadhead rules at the club. there are NO broadheads allowed on the inside range.

Outside, broadheads are ONLY to be shot into the sand pits. We have some older inserts left at the pits if you want to test your broadheads on them. You can also bring your own block target to shoot while using the sand pits.

On the hunter course NO broadheads are allowed to be shot into the practice animals.

Be Safe and have fun at the club. Ron Hemmelgarn

We are planning to build several more cement base field targets on August 27&28. We need 6 to 8 workers to help run the post hole digger and mix concrete.

PLEASE email a Range Capt. if you plan to help so we can plan accordingly.

Introduction

Grab your gear and come out to the club for some practice to insure you are ready for your next shot of the lifetime.

Share your sport and invite a new shooter or experienced shooter to accompany you.

Do you remember who introduced you to the sport of archery? Maybe you could be that person for your new shooting partner.

Club Meetings

The Meetings are held the first Thursday of the month 7pm, at the club house.

Club I.D.

Remember to display your club I.D. card on your quiver or bow case. If you don't know someone, ask them to see their card. This is a way to meet members you don't know or haven't met. This could become your next shooting or hunting partner.

Remember, this is your club, and you have a right to card someone you don't know.

NOTICE!

Broadhead arrows are allowed only in the sandpits!

No broadhead arrows are allowed in the indoor range.
