Congrats to Phil speare on this nice buck!!

From Phil:

Thanks to the nose of this young tracking dog Arya we were able to have a successful recovery after a long track on this heavy 9pt I call Richard... we had some history over the last month and he got a nickname, he may have outsmarted me a few times before, but I got the upper hand this time. Thanks to Cassi, her daughter, young pup Arya and my brother we found this great deer that has been making me lose sleep.

Congrats to Tony on this nice buck!! Even though he left his bow at home.
Shot it 8ft from his tree stand.
