*This is the last Kishwaukee Archery Club 3D Outdoor Shoot for 2022. We need help setting up the Outdoor 3D CAZ Brewer Memorial on Friday afternoon July 15, 2022, starting around 3:00 pm (ish) until done. Set up work hours will apply towards CY 2022 work hours. If you can't make it by 3 pm (ish) then anytime on Friday afternoon would be great. We will also need help with tear down on Sunday July 17, 2022, after 1:00 PM. The more help the quicker setup and teardown.

Introduction

Grab your gear and come out to the club for some practice to insure you are ready for your next shot of the lifetime.

Share your sport and invite a new shooter or experienced shooter to accompany you.

Do you remember who introduced you to the sport of archery? Maybe you could be that person for your new shooting partner.

Club I.D.

Remember to display your club I.D. card on your quiver or bow case. If you don't know someone, ask them to see their card. This is a way to meet members you don't know or haven't met. This could become your next shooting or hunting partner.

Remember, this is your club, and you have a right to card someone you don't know.

NOTICE!

Broadhead arrows are allowed only in the sandpits!

No broadhead arrows are allowed in the indoor range.

No news is good news, but no news means a blank newsletter. Please send in your stories, pictures, and ideas.

This is a newsletter about the club and its members. If you have something to share, email one of the officers listed at the bottom of the newsletter.

Happy Shooting and leave the club better than you found it!

Club Meetings

The Meetings are held the first Thursday of the month 7pm, at the club house.
