

# Kishwaukee Work Project

## Paint and repair signs

The two signs after the last field target need work.

1. Buy a small amount of RED and WHITE paint.
  - a. Save receipts, the club will reimburse you.
  - b. The RED can be a nice barn red not too bright.
2. Scrape and clean the wood.
3. Paint the board and post red.
4. Paint the letters and arrow white.
5. Put your work hours on the work sheet in the clubhouse.
6. Hand in your receipts for items purchased at a club meeting or hand them to a board member

Contact a board member if you want to take on this project.
