MARCH 3, 2017

## Introduction

Grab your gear and come out to the club for some practice to insure you are ready for your next shot of the lifetime.

Share your sport and invite a new shooter or experienced shooter to accompany you.

Do you remember who introduced you to the sport of archery? Maybe you could be that person for your new shooting partner.

No news is good news, but no news means a blank newsletter. Please send in your stories, pictures and ideas. This is a newsletter about the club and its members. If you have something to share, email one of the officers listed at the bottom of the newsletter.

Happy Shooting and leave the club better than you found it!
