

Kishwaukee Chronicle

OCTOBER 11, 2021

Note from the Editor.

Happy October.

Nominations for the Board will be at next months meeting. If you would like to be part of the board or know someone who would be. Nominate them at the next board meeting.

The JOAD is doing great. They are up to 15 participants.

If you missed it, the Club picnic was a blast. The food was great. 3D targets were set up for some fun shooting. I did lose a little money during some fun shooting competitions.

We are looking for someone to update our fire extinguishers tags. If you know someone or you have the requirements, contact a board member.

Dan Kollins

Reminder: No smoking inside the club house and indoor range. This include E-cigs and Vaping.

Introduction

Grab your gear and come out to the club for some practice to insure you are ready for your next shot of the lifetime.

Share your sport and invite a new shooter or experienced shooter to accompany you.

Do you remember who introduced you to the sport of archery? Maybe you could be that person for your new shooting partner.

No news is good news, but no news means a blank newsletter. Please send in your stories, pictures, and ideas. This is a newsletter about the club and its members. If you have something to share, email one of the officers listed at the bottom of the newsletter.

Happy Shooting and leave the club better than you found it!

Club Meetings

The Meetings are held the first Thursday of the month 7pm, at the club house.

Kishwaukee work hour projects. Use log splitter to split wood for fireplace.

NOTE: For club insurance reasons!

When using any power equipment (like chain saw or log splitter) there must be at least TWO people for safety.

The club log splitter has been chained up so it can be moved out and used. There will be a pile of wood that needs to be split and stored for club use.
