Introduction

Grab your gear and come out to the club for some practice to insure you are ready for your next shot of the lifetime.

Share your sport and invite a new shooter or experienced shooter to accompany you.

Do you remember who introduced you to the sport of archery? Maybe you could be that person for your new shooting partner.

No news is good news, but no news means a blank newsletter. Please send in your stories, pictures, and ideas.

This is a newsletter about the club and its members. If you have something to share, email one of the officers listed at the bottom of the newsletter.

Happy Shooting and leave the club better than you found it!

Club I.D.

Remember to display your club I.D. card on your quiver or bow case. If you don't know someone ask them to see their card. This is a way to meet members you don't know or haven't met. This could become your next shooting or hunting partner.

Remember, this is your club and you have a right to card someone you don't know.

NOTICE!

Broadhead arrows are allowed only in the sandpits!

No broadhead arrows are allowed in the indoor range.

Club Meetings

The Meetings are held the first Thursday of the month 7pm, at the club house.

From Phil Speare:

I wanted to share this rare find my taxidermist found on a deer I was having him Euro mount. This deer has rare upper K9 teeth. From what I understand deer used to have K9 teeth and throughout the years they stopped growing them. I read that less than 1% of the deer population has these upper K9 teeth.
