CLUB MEETINGS ON FIRST THURSDAY OF EACH MONTH

NOTICE! Broadhead arrows are allowed only in the sand pits!

We've had too many targets ruined lately by archers who are using broadheads on the outdoor range. They cut up the targets very quickly, and this increases the cost and time to keep the range in good shape.

Kitchen Help Needed. Anyone willing to work in the kitchen during any or all of the upcoming shoots please contact Sue Cook-(815) 756-8653

Guest Fee Reminder All members are reminded that the \$5.00 guest fee applies to the Outdoor Range and Outdoor practice targets as well as the Indoor Range. If you bring a guest, please sign them in and pay in the guest fee box located in the Indoor Range.

Outdoor Lights. Outdoor Lights for the practice targets are now on a timer switch. The timer switch is located inside the Clubhouse near the switch for the exhaust fan.

Energy reminder. Please remember to keep the doors between the Clubhouse and the Indoor Range closed. Separate thermostats control these areas.
