Sept. 8 Annual Pig Roast

The poster is pinned to a corkboard with two green pushpins. It features the NFAA logo on the top left and the Kishwaukee Archers logo on the top right. The text is centered and reads: "2018 NFAA Great Lakes Sectionals February 24th & 25th Hosted by Kishwaukee Archers". Below this, it states: "This will be a two day event - archers will compete in the NFAA 300 Round both days (12 ends of 5 arrows)". It then says: "Come to compete against others from around the area REGISTRATION IS NOW OPEN!". A note below that says: "NFAA or USA Archery Membership required". At the bottom, it says: "Register online thru Rcherz.com competition - 2018 NFAA Great Lakes Indoor Sectional". A QR code is located in the bottom right corner. Contact information for Nancy Zorn is provided in the bottom left corner.

 **2018 NFAA** 

Great Lakes Sectionals
February 24th & 25th
Hosted by Kishwaukee Archers

This will be a **two day** event - archers will compete
in the NFAA 300 Round both days
(12 ends of 5 arrows)

Come to compete against others from around the area
REGISTRATION IS NOW OPEN!

NFAA or USA Archery Membership required

Register online thru Rcherz.com competition - 2018 NFAA Great Lakes Indoor Sectional

CLUB MEETINGS ON FIRST THURSDAY OF EACH MONTH

NOTICE! Broadhead arrows are allowed only in the sand pits!

We've had too many targets ruined lately by archers who are using broadheads on the outdoor range. They cut up the targets very quickly, and this increases the cost and time to keep the range in good shape.

Kitchen Help Needed. Anyone willing to work in the kitchen during any or all of the upcoming shoots please contact Sue Cook-(815) 756-8653

Guest Fee Reminder All members are reminded that the \$5.00 guest fee applies to the Outdoor Range and Outdoor practice targets as well as the Indoor Range. If you bring a guest, please sign them in and pay in the guest fee box located in the Indoor Range.

Outdoor Lights. Outdoor Lights for the practice targets are now on a timer switch. The timer switch is located inside the Clubhouse near the switch for the exhaust fan.

Energy reminder. Please remember to keep the doors between the Clubhouse and the Indoor Range closed. Separate thermostats control these areas.
